

Invitation to the Nordic railway conference

Towards a more Attractive Railway in the Nordics

– through cooperation, international connections and seamless borders

NJS – Forum of Nordic Railway Professionals in cooperation with Nordic Council, proudly invites to a Nordic railway conference which gives you an excellent opportunity to learn more about making the Nordic railways more attractive, and network with colleagues within the Nordic railway industry. The conference is a part of celebrating the NJS 150 anniversary moderated by Helena Kyster-Hansen, President of NJS and Mikael Prenler, main editor of Nordic Railway Journal (NJT).
